DON'T FORGET, SHOP LAFAYETTE!

Nobody likes road detours and the inconvenience of roadway construction, but we all understand construction is a necessary part of making our community a better place to live, work and play. And while Leon County Government is making significant improvements to Lafayette Street, we want to make sure that our community remembers the businesses impacted by the construction activity.

CONSTRUCTION UPDATE

Lafayette Street improvements between Suwannee Street and Seminole Drive have been completed. Area residents and businesses can now enjoy a newly constructed road with sidewalks. Further improvements have now begun. Lafayette Street, east of Magnolia Drive towards Indian Head Drive, is closed for construction. Thank you for your patience while construction continues.

So enjoy the new roadway from Cascades Park to Seminole Drive. For further updates, visit:
